Italian Dining

Positano Café Pizzeria and Sevardi Cucina are both unique in their own way.

Positano makes traditional provincial Italian wood fired pizzas and homemade pastas where you can either dine in, take away or have your meal delivered to your door via Uber Eats & Menulog.

Sevardi is a traditional Italian restaurant, providing a small and intimate dining experience.

We can cater for functions of up to 50 people in our private upstairs function room or in Sevardi. We can provide sit down or finger food options. Just ask our staff for details.

We can also cater your home or office party.

Our traditional wood fired pizzas are made with water, Italian flour, salt, yeast and most importantly, LOVE!
